

GENERAL MANAGER

The Harriman Utility Board, located in Harriman, TN, a municipal provider of Electric, Natural Gas, Water, and Wastewater Services is seeking candidates for the position of General Manager to replace the current GM, who is retiring in May 2018. HUB has approximately 80 employees that serve 11,000 Electric customers, 3,150 Gas customers, 4,800 Water customers, and 2,250 Wastewater customers in a 240 square mile area within Roane and Morgan Counties. The utility has a five (5) member governing Board appointed by the City of Harriman. The GM is responsible for implementing the policies of the Board, hiring, training, and retaining employees, overseeing the daily operations, and insuring compliance with applicable Local, State, and Federal Regulations. Candidates must have a BS (or higher) degree from an accredited institution in Engineering, Business (Accounting, Finance, etc.) or related field and 5+ years' experience in a senior management position in a multi-service utility. The successful candidate should have the TVPPA Certified Power Executive Certificate, or be willing to obtain it within 2 years of employment. They also should be effective in establishing relationships with the Board, employees, customers, and local leaders. The Harriman Utility Board offers a competitive salary based on qualifications and experience, and an excellent benefits package.

To obtain a detailed job description and an application form please visit our website at www.hub-tn.com. Please submit the completed application with a resume including (3) professional references, (3) personal references, and a salary history to: Edgar Bowers, Board Chairman, Harriman Utility Board, P. O. Box 434, Harriman, TN 37748. All applications must be received by mail, or in person at the HUB Main Office, 300 N. Roane Street, Harriman, TN. The deadline for applying is 4:30 PM EST, on February 2, 2018.
